ΣΧΟΛΙΑ ΤΩΝ HOSTED BUYERS ΓΙΑ ΤΗΝ ΕΚΘΕΣΗ

**This event exceeded my expectations, we had a great time and very valuable B2B meetings at the show.
Surely we will support this show again next year by bringing buyers and exhibitors there!**

I had efficient and productive B2B meetings at the Athens International Tourism Expo. Great networking with more interesting and promising travel providers, locally. At askelena.com tailor made travel, we are now expanding our partnerships and continuing to outsourcing the best quality travel services, accommodations and authentic experiences not only in popular but also in little known gem destinations around Greece.
